

Personal, Social and Emotional Development

The children will explore ways in which they can stay healthy. They will learn about the importance of a healthy diet and have the opportunity to taste a range of foods that contribute to this. They also will understand the need to exercise to keep healthy.

Expressive Arts and Design

This term the children will learn how to use a range of materials to create collages of different foods, plants and flowers. They will learn about Giuseppe Arcimboldo and create their own pictures inspired by him.

Literacy

This term the children will still have lots of opportunities to apply their phonics knowledge by reading and beginning to write captions and simple sentences. They will be encouraged to re-read what they have written to check that it makes sense. They will recognise phase 3 tricky words and begin to write some of these accurately.

Understanding the World

In this topic the children will have the opportunity to grow a range of plants from seeds. They will tend and care for these plants and later in the year they will be able to grow and cook their crops. The children will hear stories in different languages and learn some greetings in different languages.

Reception Lent 2 What can we grow?

R.E - Come and See Topics

Gathering –Mass is a way in which people gather to celebrate.
Growing -Lent is a time when we grow to be like Jesus.

Communication and Language

The children will learn and practise how to use language to express themselves clearly so that they are able to explain their ideas and thinking to others. They will begin to talk more confidently about why things happen using new vocabulary learnt.

Mathematics

In Maths, the children will solve addition and subtraction problems within 10 using 10 frames and Numicon to help them. They will compare length, weight and capacity using vocabulary such as long, short, tall, wide, narrow, heavy light.

Physical Development

The children will experiment with different ways of moving around a given area, and learn how to negotiate space and to be safe when moving. They will be introduced to basic co-ordination skills with a balloon and ball and also begin balancing objects on their body.
